Have you ever wondered what
pastors learn while they
are in seminary?

Do you have a longing
to go deeper in the study
of our Christian faith?

Do you understand what
God desires from you
as a Christian in ministry?

 **Seminary**
Lite is a program at Saint Paul School of
Theology at Oklahoma City University focusing on
learning for the laity.

 **Seminary**
Lite will provide you (as laity) with a
deeper knowledge base in subjects pertaining to
Christian faith and life, and will allow you to sample
the seminary experience.
