

Third quarter apportionment readout for 2019

In an effort to improve financial transparency, the *Contact* is publishing both Apportionment giving and Mission and Ministry giving by church each quarter. This data comes from the Council on Finance and Administration and the total for each church is published as a percentage.

Below is the total apportionment payout amount for each church during the third quarter of 2019. Quarterly percentages are meant to reflect only what has been received by the end of the quarter and do not at this time reflect a church's Apportionment or Mission and Ministry giving for the whole of 2019.

Churches are sorted by district and listed alphabetically by city, then by church name. District names are highlighted in blue for readability. Payout percentages listed are as of Oct. 15. This information is also available online at okumc.org/apportionmentpayout.
